Price Increase Notice

To Whom It May Concern,

Please be aware of the recently announced manufacture increases on Steel, Roxul, Ceiling Grid and Specialty Ceilings. For your convenience I have included a copy of the manufacturer announcements as another point of reference. Upon review feel free to contact your local branch representative and/or myself at your convenience.

Steel:

• Steel & Related Products	January 2nd, 2018	10%

Roxul Commercial Products:

• Cavityrock, Curtianrock, Rockboard, Safe, and Roxul Plus MB	January 2nd, 2018	3%

Ceilings:

• DONN Suspension Systems	December 1st, 2017	5%
• Specialty Ceilings (Celebration, Compasso, Curvatura, Geometrix, Panz, and Paraline)	December 1st, 2017	5%

It's important to note that the steel manufacturers anticipate upward pressure on price to remain prevalent throughout 2018. Based on the likelihood of additional increases please continue to communicate with our offices regularly for updates and forecasted pricing. We are here to help!

We will continue to monitor and communicate with our manufacturing partners as we move forward and update you on further changes related to costs. On behalf of SDS we greatly appreciate your business!

Respectively,
