RE: ANNOUNCEMENT

Operations Manager Winnipeg

Please join me in congratulating Vince Dery on his new role as Operations Manager of our newest branch in Winnipeg.

Vince has been part of the SDS team since May 2008. Vince started with SDS as the Operations Manager in our Red Deer location where he has successfully developed market leading service in the Red Deer market with a team of professional customer service providers. Vince brings with him over 14 years experience in the GSD supply business, specializing in delivery, warehousing, purchasing, sales, inventory control and most importantly conducting himself as a proven leader in our organization.

In his new role, Vince will oversee all of Winnipeg's day to day operations. Vince looks forward to the move to a larger market place where he will have the ability to start from the ground up in a new location, developing a new team and new standards in the marketplace.

We look forward to having Vince operating out of Winnipeg in early 2010 and we know he will make great things happen.

Vince, Congratulation's from all of us at SDS on your new position!

Sincerely,
