

It is with great excitement that Shoemaker Drywall Supplies (SDS) / WSB Titan would like to announce the opening of our newest location in Winnipeg, Manitoba. SDS will be fully operational out of this facility and providing the same level of service and quality our business has been built upon by early 2010.

We look forward to servicing the Winnipeg marketplace with not only our core SKU's of drywall, insulation, and steel but also with roofing, ceiling systems, tools of the trade, and much more. Contact information as well as an announcement of our local team will be forthcoming in the near future.

With this newest addition, our SDS division will now operate out of 10 locations throughout 4 provinces. WSB Titan as a whole will be 22 locations strong with service centers in 6 provinces.

If you have any questions regarding this latest announcement please feel free to contact Ryan Shoemaker at 403-291-1013.

A handwritten signature in black ink, appearing to read 'R. Shoemaker'.
