Price Increase

Dear Valued Customer:

Due to price increases from our vendors for raw materials, PSL Partition Systems is forced to issue a new Master Price list for the PS 350 and Classic Series product lines effective August 1, 2021.

This price increase will affect the following items:

Vinyl Board	Aprox. 5.5%	Increase
Gypsum Ceiling Tiles	Aprox. 6%	Increase
Vinyl Covered Tack Boards	Aprox. 2.5%	Increase
Steel, PVC and Aluminum Products	No Increase	

With the volatile nature of raw materials, PSL Partition Systems may have to issue a new price list later this year.

Thank you for your ongoing business with PSL Partition Systems Limited.

Best Regards,
