

## COMMUNIQUÉ

---

Date: June 11<sup>th</sup>, 2021

To: Canadian customers - Manitoba, Saskatchewan, Alberta and British Columbia

**Subject: Price increase – Wood Fibre Panels**

---

Dear valued customer,

This letter is to inform you that due to rising costs of lumber and derived wood products, Building Products of Canada Corp. is implementing a price increase on wood fibre panels that will be **effective as of July 19<sup>th</sup>, 2021**.

All orders shipped on or after **July 19<sup>th</sup>, 2021**, independently of the time of the order, will be invoiced at the new prices. We reserve the right to limit quantities on orders placed prior to the effective date of the price increase.

The price increase will be applied as follows:

- Exterior Insul-Sheathing Panels (R-5 XP/**B5**, R-4 HP/**B4**, R-1.3 & R-1.5/**BSSHT**, and EXCEL/**BE**); **5%** increase
- Interior Insulating Panels (Enermax/**BN**, SoundSmart/**BA**, and Natural Panels/**BSNAT**); **5%** increase
- Roof Insulator Panels/**BR**; **5%** increase

Please note that we will also adjust the landed costs for all oversized panels (4' x 9' and larger) to reflect the additional transportation costs resulting from specialty equipment.  
A revised price list reflecting these price increases will be issued in the coming days.

Should you have any questions or require further clarifications on this matter, we invite you to contact your Building Products of Canada Corp. sales representative.

We wish to thank you for your valued business and ongoing support.

Sincerely,

Bernard Nadeau

Vice President, Sales and Marketing
