Note: The amount of cost pressure is at all-time highs which is resulting in increased sell prices on multiple lines and at times compounded over a few months. With the amount of changes occurring I encourage you to reach out and contact your local rep and ask for clarification on a regular basis. We are here to help!

We will continue to monitor and communicate with our manufacturing partners as we move forward and update you on further changes related to costs. On behalf of SDS we greatly appreciate your business!
