

## **March 1<sup>st</sup> Roofing Delivery Charges Increase/Western Canada**

Dear Customers,

As a result of an escalation in fuel prices & labour costs, it is necessary for SDS to increase our roof loading & delivery charges. The increases will take effect on all shipments beginning March 1<sup>st</sup> 2014. We at SDS greatly appreciate your business, and look forward to servicing all your roofing needs. Should you have any questions concerning this announcement, please contact your local SDS account manager.

Thank you for your continued support of SDS

Sincerely,
