

January 5th, 2023

TO: OUR VALUED CUSTOMERS – NATIONAL

Please be advised that CGC Inc. will be increasing list prices on various Panels and Interior Finishing products effective February 1st, 2023. This notice supersedes the previous increase and deferral notices dated for November 1st and December 1st. Updated published list price pages for all categories will be sent to market by Monday, January 16th, 2023.

Please note an additional increase notification for the glass mat panels product category which will also be implemented **effective for February 1st, 2023.**

- **All Glass Mat Panels** 9%

All orders shipped on or after the implementation date will be invoiced at the increased price. Please note that to ensure supply to our customers, CGC may regulate volumes for your business prior to the increase date based on historical volumes purchased from CGC.

In addition to the challenge of inflationary pressure, CGC anticipates continued raw material disruptions into 2023 that will challenge our ability to supply the market demand on various product categories. We will continue to keep our customers informed about our supply situation to help minimize the impact to your business.

Finally, please note that due the consistent elevated freight costs CGC continues to reassess our established pricing by zone. This assessment will be completed in detail and further communication to the market on any impact to list pricing will be provided. Once appropriately established CGC will enforce the zone pricing for all customers in the Canadian market.

If you have any questions, please contact your local Sales Representative. Thank you for your continued support of CGC products.

Sincerely,

Sid Tetz
Vice President, Sales & Marketing
