To: Our Valued Customer's

While CertainTeed is committed to continually manage cost efficiencies and eliminate waste we are experiencing material cost inflation in transportation, raw materials, energy, and labour that we cannot offset. Please be advised that CertainTeed will be raising the list prices for all Western Canada regions on the following products effective Monday September 3rd 2018.

Monday September 3rd 2018

Western Canada
(B.C., Alb., Sask, Man, NWT)

- | | |
|--|--------------|
| ➤ 54" Standard Paper Faced Board | 20.0% |
| ➤ 54" Specialty Paper Faced Board | 20.0% |

All orders placed and shipped on or after September 3rd 2018 will be subject to the new price. To address the likelihood of increased product demand prior to the new price, CertainTeed Gypsum reserves the right to regulate shipments prior to the increase (reflecting regular monthly buying habits), ensuring equal opportunity to all our customers.

Should you have any questions please contact your local CertainTeed sales representative.

We thank you for your continued support.
