Re: Cannonball Price Adjustment

Cannonball has issued a price increase of 6% on all sliding door track and hardware effective January 11th, 2021 due to continued increases in raw material costs, steel supply shortages and the stress COVID-19 has placed on the post frame and metal building industries.

As a result, our pricing to you will increase by 6% effective February 15th, 2021. Updated schedules will be provided to you the week of January 4th, 2021.

We want to thank you for your continued support through this unprecedented year and wish you a safe and healthy new year.

If you have any questions, please do not hesitate to contact us.

Sincerely,
