To: Our Valued Customers,

We appreciate your continued support of the CertainTeed product line during these challenging times. We have worked diligently to minimize the impact of our rising costs, by consolidating and increasing efficiencies of our production facilities, revising our logistics, and managing our input costs. Even with these efforts, costs are rapidly increasing and are expected to continue to rise.

These factors have resulted in our need to implement a price increase. Prices will increase effective Wednesday December 1st, 2021. All orders shipped on or after this date will be invoiced at the new pricing.

Wednesday, December 1, 2021	**All of Canada**
➢ **Glasroc Family of Products** (Tile Backer/Sheathing/Shaftliner)	**10.0%**

To address the likelihood of increased product demand prior to the new price, CertainTeed Gypsum reserves the right to regulate shipments prior to the increase (reflecting regular monthly buying habits), ensuring equal opportunity to all our customers.

Should you have any questions please contact your local CertainTeed sales representative.

We thank you for your continued support,

Wayne Edgecombe
Vice President Sales, IPG/EPG
