Attention: Mr. Steve Conroy

Dear Mr. Conroy,

Over the past several months, our industry has seen large cost increases for all raw materials. We have been able to absorb these costs up to now through efficiency improvement. Unfortunately, we can no longer absorb these costs. Thus, effective April 12, 2021, we will be implementing a 7% price increase on the KWP product line, which includes siding, trims and shake.

Orders received on or after April 12, 2021 will be subject to the new pricing. Orders received through April 9, 2021 and shipped through April 16, 2021 will be fulfilled at the current pre-increase pricing.

We would like to take this opportunity to express our appreciation for your continuing support and we look forward to servicing your building product requirements in the future.

Sincerely,
