Attention: Mr. Steve Conroy

Dear Mr. Conroy,

We continue to experience unprecedented challenge in both procurement of raw materials and costs. PVC resin and ancillary materials (stabilizers, impact modifiers, etc.) as well as aluminum remain in short supply and prices continue to increase. We are doing everything we can to remain supplied with raw materials and at present we continue to offer product in a timely manner. However, we are unable to absorb these increases and are announcing the following price increase.

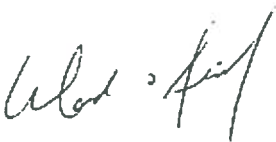

Effective May 31, 2021, we will be implementing a price increase on the following product categories:

- | | |
|--|----|
| - Vinyl - including Siding, I-SPAN, Soffit and Accessories | 7% |
| - Perfection Shakes and Shingles | 7% |
| - Plastmo Gutter Line | 7% |
| - Aluminum Siding, Soffit , Rainware, Shutters | 9% |
| - Trim coil, Gutter coil | 9% |
| - Metal/Galvanized Flashing, Trims & Fasteners | 9% |
| - Galvanized Steel, Nails and related Steel Products | 9% |

Orders received on or after May 31, 2021 will be subject to the new pricing. Orders received through May 28, 2021 with firm specification and shipped through June 4, 2021 will be fulfilled at the current pricing. We reserve the right to limit quantities to previous year historical levels and normal ordering patterns.

We would like to take this opportunity to express our appreciation for your continuing support and we look forward to servicing your building product requirements in the future.
