JULY Price Increase

Dear Valued Customer:

Due to the continuing cost increases in raw materials (steel, aluminum, plastics, and linerboard) as well as increases in freight, Lomanco will be implementing a general price increase on all orders placed on or after **July 15, 2021**.

The increase will be **9%** on all products. All Product Specific Surcharges will be eliminated when the new pricing takes effect.

Your Lomanco Area Market Manager will be providing you with your new pricing in the coming weeks. We will continue to provide any necessary support for your success and the mutual growth of our companies. With your help, we look forward to building an even stronger future.

Lomanco will continue to provide the market with the best products, service, salespeople, and communication in the industry.

We appreciate your support and thank you for your valued business.

Sincerely,

Mike Nichols
Director of Sales
