

Dear Valued Customer,

MIFAB is announcing list price increases for our **Dialysis Boxes, Access Doors, Plastic and Steel Trench Drains and Light Commercial Drainage Products** due to the increases in raw material and transportation costs that we are experiencing. These price increases also apply to all net prices for these products.

We are doing our best to absorb as much of the cost increases that we are receiving as possible to keep the price increases as reasonable as possible.

All current quotations must be registered with your MIFAB representative; entered as orders and released for shipment on or before **June 14, 2021** for current price protection.

All new quotations and orders entered on and after **June 15, 2021** will reflect the new price increases for all of these products.

The affected MIFAB product price books are:

- **DB-2021** – Dialysis Boxes  
Replaces the DB-2018 – List Price increase of **15%**
  
- **AD-2021-CAN** – Access Doors  
Replaces the AD-2020-CAN – List Price increase of **10%**
  
- **TD-2021** – Plastic and Steel Trench Drains  
Replaces the TD-2020 – List Price increase of **11%**
  
- **CLPB-2021** – Light Commercial Drainage Products  
Replaces the CLPB-2019 – List Price increase of **5%**

Thank you in advance for your continued support and understanding in this matter.

Sincerely,

Michael Whiteside
