

## May 1<sup>st</sup> Price Increase

Dear Valued Customer:

Due to price increases from our vendors for raw materials, PSL Partition Systems is forced to issue a new Master Price list for the PS 350 and Classic Series product lines effective May 1<sup>st</sup>.

This price increase will affect the following items:

Vinyl Board & Gypsum Ceiling Tiles (Captured in February 2021)	Appr. 3.5%	Increase
All Steel Products	Appr. 18%	Increase
PVC Products	Appr. 30-35%	Increase
Foam Sound Seal Rolls	Appr. 5 %	Increase
Aluminum Door Kits & Battens	Appr. 6%	Increase
Classic Series Framing Material	Appr. 1-2%	Increase

With the volatile nature of raw materials, PSL Partition Systems may have to issue a new price list later this year.

Thank you for your ongoing business with PSL Partition Systems Limited.

Best Regards,
