**Re: Price increase on vinyl covered drywall**

To Our Valued Customers:

Please be advised that due to price increases from our raw material suppliers, we are anticipating an increase of 12% to be effective on January 1, 2021 on vinyl board products.

We will continue to keep you advised of price changes in the market and will be issuing an updated price list in the near future.

Should you have any questions, please contact your Territory Manager.

Thank you for your business.
