Price Increase Notice

Dear Valued Partner,

Please note the recently announced manufacture increase specific to paper faced gypsum products. For your convenience, I have included copies of the manufacture letters as another point of reference. Upon review feel free to contact your local branch representative and/or myself at your convenience. As outlined in previous communications, we believe further upward pressure on the cost of goods sold will continue to be a factor due to local and domestic demand as well as the variance in our exchange rate today.
