To Our Valued Customers:

As a direct result of increases from the manufacturer due to increased material costs, please be advised that B.C. Ceiling Systems Ltd will be increasing prices on the following product lines:

**Effective February 17, 2016 10-12% increase on All Ceiling tile including CGC, Armstrong and Celotex.**

Any orders shipped on or after February 17<sup>th</sup>, will be invoiced at the increased price.  
At this time grid and metal products **will not** be affected by this increase.

Thank you for your support, if you have any concerns or questions about this increase please do not hesitate to call our office.
